## Permitted Commissaries for Mobile Food Facilities

The following commissaries, located in Ventura County, are approved by the Ventura County Environmental Health Division (Division) for the service of all types of mobile food facilities (MFFs). These facilities provide the following services:

- Quick disconnect couplings for refilling potable water tanks. If applicable, the compatible coupling devices will be required on your MFF.
- Approved receptors for the disposal of wastewater.
- Areas for cleaning and servicing of the MFF.
- Utensil-washing areas.
- Storage of food or food-related items.
- Storage of the MFF during hours of non-operation.
- Food preparation area.
