The consultants listed above have been approved to conduct work involving environmental analysis and CEQA document preparation for projects subject to the County of Ventura’s use as lead agency. All such work is subject to approval of the County’s standard Memorandum of Understanding Regarding CEQA Document Preparation by the project applicant and CEQA consultant, available at the following link:

The services that may be provided by County-qualified CEQA consultants and more information on the County’s Qualified CEQA Consultant Program can be found at:

<https://rma.venturacounty.gov/divisions/planning/ventura-county-qualified-california-environmental-quality-act-consultant-program>.

To be added to the County's Qualified CEQA Consultants List, a consultant must meet minimum qualification requirements to conduct such work. Prospective consultants should submit the following to the County's Qualified CEQA Consultant Program coordinator, Dillan Murray, at [Dillan.Murray@venturacounty.gov](mailto:Dillan.Murray@venturacounty.gov):

- Letter of Interest
- Statement of Qualifications

Consultant qualifications will then be reviewed by County staff to determine whether the consultant meets the required qualifications. County staff may request additional information in order to fully evaluate a consultant's qualifications. The County reserves the right to remove a consultant from the Qualified CEQA Consultants List if the consultant fails to meet required qualifications or performance expectations.
